<p>Brief introduction of your research experience:</p> <p>I have been in a college or university since August 1998. Promoted from an assistant professor to an associate professor, and then a full professor, I have published more than 140 journal papers most indexed in science citation index, social science citation index, and engineering index. The research areas include patient safety culture, service quality, data mining, and decision analysis. Moreover, I have been awarded by universities or other agencies in the past ten years. More recently, I have been elected as a distinguished professor at National Changhua University of Education since August 2014. For more information, please refer to my personal website.</p>
